## Professional Experience

Julinie is a physiotherapist with 24 years of experience, including over two decades specialising in paediatrics. She has extensive experience treating paediatric neurodevelopment conditions, including cerebral palsy, learning disabilities, developmental delay, autistic spectrum disorder, traumatic brain injury and genetic conditions. She has worked with clients aged from birth to early adulthood, frequently with highly complex needs.

Julinie works for Harrison Associates as a Paediatric Expert Witness. She has significant experience evaluating complex cases and producing thorough, impartial and accurate reports. She is fully trained in Civil Procedure Rules, including relevant revisions as they arise, and frequently undertakes a range of professional development courses and activities.

## Career History

### Physiotherapist Abingdon House School

**2019 - Present**

- Operated as the sole physiotherapist within this independent special needs school for children with autism, ADHD and dyspraxia.
- Frequently provide training to therapy, education and care staff and clients' parents to ensure seamless continuity of manual handling and therapeutic activities across settings.

### Physiotherapist Self Employed

**2011 - Present**

- Provide assessments and therapy sessions for babies, children and young adults with neurological development and neuro-orthopaedic conditions. Work across client's homes, nurseries and schools.
- Provide in-depth initial assessment reports, printed exercise programmes and school annual review reports, as well as live teletherapy input as necessary.
- Recommend and assess for specialist equipment.

---

## Career History Continued

**Physiotherapy Team Leader (Paediatric)**  
**Chelsea & Westminster NHS Foundation Trust**

**2013 - 2018**

- Led the physiotherapy team at a special needs school, spearheading the delivery of high-quality specialist therapy input across the school and within clients' homes.
- Supported manual handling assessments, advised on specialist equipment, ran orthopaedic and orthotic clinics, coordinated pre- and post-operative therapy, contributed to assessments for education and health care plans and participated in Child in Need meetings and Child Protection conferences.
- Assisted in planning the build of a new hydrotherapy pool.

**Bobath Physiotherapist**  
**The Bobath Centre**

**2010 - 2013**

- Treated clients across the UK and internationally on behalf of this charity specialising in the provision of multi-disciplinary therapy to individuals with cerebral palsy and associated neurological conditions.

**Specialist Community Paediatric Physiotherapist**  
**Chelsea & Westminster NHS Foundation Trust**

**2005 - 2009**

**Swimming Classifier**  
**Paralympics**
